

September 2024

Unlock your sales potential with a leading glass processor! Drive growth, manage key accounts, and advance your career with our dynamic team.

Sales Representative

- Processor of High Performance, Energy Efficient Glass Products
- Highly regarded by its customers for its consistent quality & service excellence
- Excellent salary package and solid career progression

Our client...

Is one of the markets' leading glass processors offering high performance glass products made in Australia from one of three local processing plants in New South Wales, Victoria, and Tasmania. They design for the future and are passionate about building sustainably with energy efficiency in mind.

What they Offer

Being a forward-thinking company that thrives on seeing their people develop and believing that effort should always be rewarded, they are offering the right person with drive and enthusiasm the following:

- Competitive base salary
- Tools of Trade Vehicle
- Strong career progression

Your Responsibilities

Based in Girraween, this role will be primarily responsible for promoting and selling the company's outstanding selection of windows and doors to a diverse customer base. Your key responsibilities will be to:

- Develop and maintain strong relationships with existing and potential customers.
- Identify and pursue new business opportunities to expand the customer base.
- Provide detailed quotes and technical expertise to clients.
- Collaborate with internal teams to ensure timely and accurate order processing.

What you will bring

This full-time position will suit someone who has the following attributes:

- Proven sales experience, preferably in the construction or building materials industry.
- Familiarity with AutoCAD or similar software is a benefit.
- Knowledge of AS1288 & AS2047
- Strong communication and negotiation skills.

Sound like you?
